Beauty Meets Brilliance in Biotech

Papaya Leaf Extract

Botanical Edge

Papaya harnesses the natural benefits of its enzymes, carotenoids, and vitamins, supporting gentle renewal and a serene, balanced complexion. It smooths texture, promotes cellular turnover, and restores a clear appearance.

Papaya offers natural enzymatic exfoliation, removing dull surface cells to enhance smoothness and brightness. Its antioxidants protect against pollution-induced damage and promote youthful glow.

PRODUCT DETAILS

Botanical name: ***Carica papaya***

Plant part used: **Leaves**

INCI name: ***Carica Papaya Leaf Extract***

Recommended dosage range: **1 - 3%**
